TARIFF FORMAT

- A. Page Numbering - Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between pages 14 and 15 would be 14.1.
- B. Page Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current page version on file with the A.C.C. For example, 4th Revised Page 14 cancels the 3rd Revised Page 14. Because of various suspension periods, deferrals, etc. the A.C.C. follows in its tariff approval process, the most current page number on file with the A.C.C. is not always the tariff page in effect. Consult the Check Sheet for the page currently in effect.
- C. Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2.
 - 2.1.
 - 2.1.1.
 - 2.1.1.A.
 - 2.1.1.A.1.
 - 2.1.1.A.1.(a).
 - 2.1.1.A.1.(a).I.
 - 2.1.1.A.1.(a).I.(i).
 - 2.1.1.A.1.(a).I.(i).I.

TARIFF FORMAT (Cont'd)

- D. Check Sheets - When a tariff filing is made with the A.C.C., an updated check sheet accompanies the tariff filing. The check sheet lists the pages contained in the tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc., remains the same, just revised revision levels on some pages). The tariff user should refer to the latest check sheet to find out if a particular page is the most current on file with the A.C.C.

SECTION 2 - RULES AND REGULATIONS**2.1 Undertaking of Company**

Company undertakes to provide only those designated Services as are furnished under the terms and subject to the conditions and customer payment of the applicable rates of this tariff for communications originating and terminating within Arizona.

The Company's Services are available to its customers twenty four hours per day, seven days per week.

2.2 Limitations

2.2.1 Service is offered subject to the availability of the facilities of Company's Underlying Carrier and the provisions of this tariff.

2.2.2 Company reserves the right to discontinue furnishing service, or limit the use of service necessitated by conditions beyond its control, including without limitation, for customer non-payment of charges; or when the customer's use of a service becomes or is in violation of the law or the provisions of this tariff.

2.2.3 The Services provided under this tariff are subject to the direct and exclusive control of the Company. No one may alter or affect the Services nor transfer or assign its use of the Services without the express written consent of the Company, which consent may be withheld, without limitation, by Company in its sole discretion at any time such alteration, effect, transfer or assignment would result in an interruption of the Services or a change in the customer's location to which the Services are to be provided.

SECTION 2 - RULES AND REGULATIONS (Cont'd)**2.2 Limitations (Cont'd)**

2.2.4 In the event prior written permission from the Company is given for any assignment or transfer, all regulations and conditions contained in this tariff shall apply to all such permitted assignees or transferees, as well as all conditions for service.

2.3 Liabilities of the Company

2.3.1 Company has no liability for damages arising out of mistakes, interruptions, omissions, delays, errors, or defects in the transmission or call processing of customer's communications traffic by the Underlying Carrier. The Company's liability for such damages occurring in the course of furnishing the Company's Services but not caused by its gross negligence or willful misconduct or that of its employees or agents in no event shall exceed an amount equivalent to the proportionate charge to the customer for the period during which such mistakes, interruptions, omissions, delays, errors, or defects in the Company's furnishing of its Services occur.

2.3.2 Acceptance of the provisions of Section 2.3.1 by the Commission does not constitute its determination that the limitation of liability imposed by the Company should be upheld in a court of law; but the recognition that as it is the duty of the courts to adjudicate negligence claims and rights to recover damages therefor, so it is the duty of the courts to determine the validity of the exculpatory provisions of Section 2.3.1.

SECTION 2 - RULES AND REGULATIONS (Cont'd)**2.3 Liabilities of the Company (Cont'd)**

2.3.3 Company shall be indemnified and held harmless by the customer against:

- (A) Claims for libel, slander, or infringement of copyright arising out of the material, data, information, or other content of a customer's communications traffic;
- (B) Claims for patent infringement arising from a customer's use of its equipment, facilities, or systems with the Company's Services; and
- (C) All other claims arising out of any act or omission of the customer in connection with any service provided by Company.

2.4 Interruption of Service

2.4.1 Credit allowance for the interruption of service is subject to the general liability provisions set forth in Section 2.3.1 herein. Customer shall receive no credit allowance for interruption of service due to Carrier's testing or adjusting, to negligence of the customer, or to the failure of channels or equipment provided by the customer. It shall be the obligation of the customer to notify the Company immediately of any interruption in service for which a credit allowance is claimed. Before giving such notice, the customer shall ascertain that the trouble is not being caused by any action or omission within customer's control, or is not in wiring or equipment, if any, furnished by the customer in connection with the Company's Services.

2.4.2 No credit is allowed in the event service must be interrupted in order to provide routine service quality or related investigations.

2.4 Interruption of Service (Cont'd)

- 2.4.3 Credit for failure of service shall be allowed only when such failure is caused by or occurs due to causes within the control of Company or in the event Company is entitled to a credit for the failure of the facilities of Company's Underlying Carrier used to furnish customer's service.
- 2.4.4 No credit shall be allowed:
- (A) For failure of services or facilities of customer; or
 - (B) For failure of services or equipment caused by the negligence or willful acts of customer.
- 2.4.5 Credit for an interruption shall commence after customer notifies Company of the interruption or when Company becomes aware thereof, and ceases when service has been restored.
- 2.4.6 Before customer notifies Company of an interruption, customer shall make reasonable attempts to ascertain that customer, a third party, or its or their actions and/or equipment is/are not the cause thereof.
- 2.4.7 Credits are applicable only to that portion of service interrupted.
- 2.4.8 For purposes of credit computation, every month shall be considered to have 720 hours.
- 2.4.9 No credit shall be allowed for an interruption of a continuous duration of less than two hours.

SECTION 2 - RULES AND REGULATIONS (Cont'd)**2.8 Taxes**

All state and local taxes (i.e., gross receipts tax, sales tax, municipal utilities tax and so forth) are listed as separate line items and are not included in the Company's scheduled rates.

2.9 Collections

2.9.1 In the event Company incurs fees or expenses, including attorney's fees, to collect, or to attempt to collect, any charges owed Company by customer, including charges alleged to have resulted from fraud or abuse of customer's services, the Company shall charge customer all such fees and expenses, including Company's reasonable attorneys' fees, incurred to collect or to attempt to collect its charges, and Company shall be entitled to recover such fees or expenses irrespective of whether it prevails in any legal action brought to collect its charges, all in accordance with and subject to the following additional legal requirements -

2.9.2 In accordance with the "filed tariff doctrine," as established by judicial and regulatory decisions and precedents, customer shall pay all charges due and owing irrespective of any claims of loss, liability, set off, damages, or other claims against Company to which customer may claim to be entitled. The duty to pay such charges shall arise upon the demand for payment by Company and shall not be delayed or deferred by the commencement of any legal or equitable action by either customer or Company in connection with such charges incurred under this tariff.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

2.13 Dispute Resolution

Any dispute arising from or relating to this tariff, that is not resolved according to published and applicable regulatory process, for example, those rules governing challenges to Company's authorization to serve as your primary interexchange carrier, shall be resolved through mediation between Company and customer within 30 days of Company's receipt of the dispute. If the dispute is not resolved by mediation, the dispute at the customer's option may be submitted to binding arbitration before a neutral arbitrator. If customer does not choose to arbitrate, Company at its option may provide customer with a refund or credit of the full amount of the charges outstanding at the time Company receives notice of the dispute. Upon customer's receipt of the credit or refund, the dispute will be resolved and by such respective actions, Company and customer mutually release and forever hold harmless the other from any further liability or claims with respect to the dispute. Nothing herein shall be construed to prevent customer from first seeking relief from the appropriate regulatory agency.

If arbitration is undertaken, each party shall contribute equally to the cost thereof and no award in favor of customer shall conflict with the limitations of liability provisions of this tariff.

SECTION 3 - DESCRIPTION OF SERVICES**3.1 Usage Based Services**

3.1.1 Long distance usage charges are based on the actual usage of the Company's network. Timing for all calls begin when the called party answers the call (i.e. when two-way communications are established). Answer detection is based on standard industry answer detection methods, including hardware and software answer detection.

3.1.2 Chargeable time for all calls ends when one of the parties disconnects from the call.

3.1.3 Unless otherwise specified in this tariff, the minimum call duration for billing purposes is eighteen (18) seconds.

3.1.4 Unless otherwise specified in this tariff, calls are billed in six (6) second increments.

3.1.5 Usage is measured and rounded up to the next higher increment for billing purposes.

3.1.6 There are no billing charges applied for incomplete calls.

3.2 Outbound Interexchange Service

The Company's service is provided for use by presubscribed Customers or Authorized Users. Calls are routed over the Company's resold transmission and switching facilities to any valid NPA-NXX in the state of Arizona.

SECTION 3 - DESCRIPTION OF SERVICES (Cont'd)**3.3 800/888 Service**

800/888 service provides for the termination of inbound toll-free calls to one-party exchange access lines from points within Arizona to Customer premises within Arizona.

3.4 Calling Card Service

Carrier offers a calling card, which allows Customer to gain access to its long distance service from anywhere in Arizona via a toll-free access number with service billed back to the Customer's account. Calling Card service allows customers to originate outbound, direct dial long distance calls. The following on-demand features are offered in conjunction with Company's calling card, and can not be accessed through any other Company product or service: Audio Text; Message Store and Forward; Station-to-Station Operator Assistance; and Conference Calling.

3.4.1 Audio Text

Audio Text allows customer to access prerecorded information on topics which include news, weather, sports, financial news, and entertainment. Customer accesses Audio Text by dialing Company's toll-free calling card access number and then selecting "Information Services." Customer may then select a specific topic by making one or more menu option selections. This service is billed based upon call duration, in full minute increments, with usage measured and rounded to the next higher full minute increment.

3.4.2 Message Store and Forward

Company's Message Store and Forward service allows a customer to store a recorded message and then have the recorded message automatically forwarded to any telephone number within Arizona designated by the customer. Service is offered on a flat fee per message basis.

SECTION 3 - DESCRIPTION OF SERVICES (Cont'd)**3.4 Calling Card Service (Cont'd)****3.4.3 Station-to-Station Operator Assistance**

Customer may request station-to-station dialing assistance on calling card calls. Company offers station-to-station dialing assistance on calling card calls only at the customer's request and then only through the resale of the services of operators employed by its underlying carrier. Station-to-station dialing assistance is offered on a flat fee per call basis.

3.4.4 Conference Calling

Conference calling is offered. Usage charges apply per each conference participant, and are based on time of day and duration of call. Conference calling usage charges are billed in full minute increments. A per-participant set-up charge also applies.

3.5 Affinity Group Services (AGS)

AGS Service is available only through exclusive agencies contracted with Carrier to market, sell, and participate in billing and collection of the Carrier's charges for services rendered to individuals, religious, charitable, scientific, educational, or similar institutions or organizations having a common affinity of interest ("affinity groups"). Each end user in an affinity group for whom an agent submits an order for service accepted by the carrier becomes the customer of record. AGS services are available at the rates set out in sections 4.11 - 4.13.

3.6 Directory Assistance

The Company provides standard Directory Assistance.

3.7 Services Not Available

Carrier does not offer 900, 911, collect, or third-party billed calling.

4.8 Sunrise/Sunset Calling Plans

Company's Sunrise/Sunset Calling Plan™ offers 1+ calls at jurisdictionally sensitive rates featuring below market rates based on the jurisdictional nature of the call combined with a uniform out-of-jurisdictional nature of the call and is available under this combination offering across the country. Rates are time-of-day sensitive but distance insensitive. Billing is in full minute increments and are rounded to the next full minute increment. A recurring charge applies. Total call usage is aggregated and rates applied based on the jurisdictional destination of the call at the following rates. You may select either the Sunrise or the Sunset Plan depending on your calling patterns. All charges are billed in full minute increments and are rounded to the next full minute increment. For the first and each additional minute or fraction thereof, the following recurring charges apply.

Sunrise Rates:

For calls terminating in-state between 8:00 am and 6:00 pm:	\$0.050000
With calls terminating in-state between 6:01pm and 7:59 am:	\$0.150000
With calls terminating state-to-state between 8:00 am and 6:00pm:	\$0.050000
